

# JOIN CUB SCOUTS!

**We are fun and adventurous.**

We strive to build in our boys a spirit of exploration and adventure. We do a lot outdoors, including two campouts each year. And we visit inspiring places, like Space Camp, The Lost Seas, and the USS Yorktown!!

**Cub Scout Pack 7153 invites all boys in Grades K-5 from all schools to join our Pack!**

Cub Scouts is a fun and educational experience for you and your son to enjoy side by side.

**We build character.**

Cub Scouts grow in responsibility, citizenship, faith through first-hand experiences

**We are Catholic.**

We are the only Catholic pack in Alpharetta/Johns Creek.
