

#ADVENTURE ON!

Why Cub Scouts?

Cub Scouting provides families with exciting opportunities to enjoy activities together. We teach family values and work to strengthen your relationship with your son or daughter. Cub Scouts is inclusive, develops character, and teaches citizenship, outdoorsmanship and personal fitness. On top of all that - it's fun! Instead of being all about winning, our motto is "Do Your Best!"

What is the Structure of Cub Scouts?

Your child will be a part of a **Den**, a small group of Scouts in the same grade level. Den Leaders are parents who coordinate the Den's activities with the help of other parent volunteers. The combined Dens make up our **Pack**.

Lions – Kindergarten	Bears – Third Grade
Tigers – First Grade	Webelos – Fourth Grade
Wolves – Second Grade	Arrow of Light – Fifth Grade

Scouts work on "Adventure" requirements throughout the year to earn their next rank badge in a formal advancement ceremony that happens every year in May.

Dens typically meet once/month for 1-2 hours at a time and place deemed convenient by Den parents. The Pack meets once a month, plus 4-5 optional campout activities per year.

Cub Scouts is a family-oriented program. Families are expected to help with Den activities and attend Pack meetings and events with their Scout. Lion and Tiger Scouts must always be accompanied by at least one parent or guardian.

How Much Does it Cost?

Dues and Activity Fees: Two fees are required every year. The national **Scouting America** organization requires annual dues of **\$85** for all first-time and returning scouts. For **Pack 169's** local dues, **\$100** is the membership fee for school year 2026-2027, which allows us to participate in our local council, maintain our equipment, and fund our standard pack activities. Optional campouts do require a fee per attendee, typically \$10. There is also an optional Scout Life Magazine

subscription available for \$15 per year. The Scouts love receiving this magazine every month!

Uniforms: Scouts present for Pack meetings, field trips, and Den meetings in "**Class A**" uniforms. Lions have a t-shirt uniform, and all other levels require an official Scout collared-shirt, a neckerchief, and slide appropriate to rank, plus a Cub Scout belt for their belt loop awards. Tigers, Wolves, and Bears wear a blue shirt. Webelos and Arrow of Light should choose the khaki shirt, as a way to distinguish themselves from the younger Scouts. We try to collect & redistribute prior year uniform parts that are still in good condition, so please contact a Den or Pack leader to inquire about available items. New Class A uniforms are available at the Scout Store at I-35 & Parmer Ln.

Pack 169 T-Shirts (called "**Class B**" uniforms) are available for purchase through our Pack for \$15.

We encourage Scouts get a handbook (containing all Adventures and electives) appropriate to their rank, but all Adventures and electives can be found online <https://www.boyscouttrail.com/24cub-scouts/cub-scouts.php>

What do I need for Campouts?

About our events

As you can see, Pack 169 has a full year of a broad range of fun activities. Our goal is to give families chances to experience things they might not otherwise get to do and have a GREAT time doing them!

ATTENDANCE: You're welcome to attend the events and outings that match your family's schedule, budget and interests. Pack Meetings are important to make sure your Scout receives deserved recognition.

WE NEED YOUR INPUT: Each month, all parents are invited to attend our Pack Committee Meetings where we ask for feedback and assistance on upcoming events. We're always open to new suggestions for fun places to go and neat things to do!

Safety and Youth Protection

Training (online at www.MyScouting.org) – Every parent / guardian **must** complete Safe Guarding Youth Training every two years. Training is online and takes about 1.5 hours. Email certificates of completion to: pack169austin.training@gmail.com.
